## **Organizational Announcement**

I am pleased to announce the addition of Matt Barmer to the Medacta USA team as our Logistics Manager. Matt will be joining our team on August 24, 2015 and he will be reporting to me.

Matt comes to Medacta from NuVasive, Inc. where he held numerous distribution management positions culminating as Senior Manager, Distribution. During his 9-year tenure, he was critical in setting up distribution operations to support rapid and sustained growth to customers globally. Additionally, he assisted with the design and implementation of numerous operating system enhancements to improve efficiencies and predictability. Matt started his medical device career in 1999 at Medtronic Sofamor Danek and served in numerous distribution management positions. Matt's knowledge of the orthopedics business and his can-do attitude will allow him to make an immediate impact.

Please join me in welcoming Matt to the Medacta USA team!
