Organizational Announcement

I'm proud to announce that Lexi Merritt has joined the Medacta USA team. Lexi will report to me and serve as a Quality and Compliance Specialist.

Lexi comes to Medacta from Titan Spine, an orthopedic company based in Wisconsin. While at Titan, Lexi managed the company's controlled documents and led the process of qualifying and maintaining the firm's class 10,000 cleanroom. Prior to her work at Titan, Lexi excelled as a Global Quality Assurance Documentation Specialist at Rockline Industries.

Lexi earned a Bachelor's of Science degree in cellular and molecular biology from the University of Wisconsin at Green Bay and recently relocated to the North Side of Chicago.

Please join me in extending Lexi a warm welcome to the Medacta USA team.
