Organizational Announcement

I am pleased to announce the addition of **Stacee Cleary** as Manager – Medical Education & Events reporting to me.

Stacee comes to Medacta with over 11 years of experience as a Training & Events Coordinator. She most recently spent nine years with Novartis Pharmaceuticals in East Hanover, New Jersey. During her time with Novartis, Stacee coordinated all of the administrative and logistical support for promotional meetings and product launches, which included her working directly with KOLs. This led her to achieve the title of Senior Training Coordinator for the Oncology Training & Development Division.

Stacee holds a Bachelor Degree in Business Administration from Centenary College in Hackettstown, NJ. She will be field based working from her home office in Fraser, Colorado.

I believe that Stacee's background and leadership skills will be a great addition to Medacta USA. Please join me in welcoming her to the team!

Amanda Earl, PA
Director - Medical Education & Events
