

Organizational Announcement

It's a pleasure to welcome Paul Emmerth to Medacta USA in the role of Controller.

Paul brings to us 15 years of Accounting and Operational experience. Paul has 15 years of progressive accounting experience as well as 10 years of Operation experience with distribution as well as manufacturing companies.

Paul spent 11 years in the beverage industry with Pepsi and Coca-Cola in both Operations/Production and Accounting functions. His last 4 years prior to Medacta were as the Finance Manager for Sciaky and Sokol & Company where in addition to managing the Financial operations attained certification for Lean Six Sigma Black Belt bringing experience in leadership, regulatory and compliance to Medacta.

With Paul's proven track record of success and will to win, I look forward to a tremendous amount of success at Medacta USA!

Please join me in welcoming Paul!
