Organizational Announcement

It's a pleasure to announce that John Thro is promoted to the position of Chief Financial Officer (CFO) effective immediately.

John joined Medacta USA in February, 2014. He skillfully managed a challenging transition from Camarillo to Chicago rebuilding your various financial functions. His extensive experience, tireless work ethic, and strategic vision has made John an indispensable member of the US Management Team.

As CFO, John will continue to serve as the corporate officer responsible for managing financial risks, financial planning, record keeping, and financial analytics/reporting. In addition to these responsibilities, the Human Resource functions will now report to John.

Please join me in congratulating John on his expanded responsibilities.
